We would like to make our faculty aware that the Milton A. Barlow Center, located at 2520 L St N.W. in downtown Washington, D.C., is available to BYU faculty for holding professional or alumni meetings. There is a large 120 seat room and two smaller class rooms that can seat about 40+ each. The facility includes a kitchen/servery with a caterer’s entrance. Audio visual and Internet connection are available. There is no parking or lodging at the building, but it is a five-minute walk from the Foggy Bottom/GWU Metro station. Those who organize activities are responsible for the setup and cleanup of the rooms. There is no charge. If you would like additional information or to schedule the facility, contact Scott Dunaway at scott.dunaway@byu.edu or ext. 2-3950.
