Faculty Resources

CURRICULUM DEVELOPMENT
- Create or Improve a department writing course
- Apply for or retain General Education certification

COURSE ENHANCEMENT
- Refine a writing assignment for better results
- Develop rubrics to grade writing assignments
- Include in-class presentations (by lab advisors) on documentation style or grammar
- Add more writing assignments that do not add grading time

CONSULTATIONS FOR STUDENTS
- Train student lab advisors to use your criteria when your students go to the FHSS Lab
- Encourage students to meet with lab advisors to refine their papers and to receive help with documentation styles (APA, ASA, Turabian)
